

VEE GEE

WASTE WATER & TESTING

VEE GEE Scientific *Laboratory Equipment & Supplies*

We have solutions to meet all your water testing needs regardless of application:

- **Environmental Monitoring**
- **Waste Water**
- **Aquaculture**
- **Industrial**

Testing Equipment

Centrifuge/Stirrer

High-speed Centrifuge and Magnetic Stirrer in one!
Centrifuge delivers max speed 12,500 rpm/9,783 x g while handling 0.2 – 5.0 mL tube sizes

Magnetic Stirrer holds up to 3L

Testing Instruments

Hydrometers

Multiple range options

Testing: Specific Gravity, NaCl

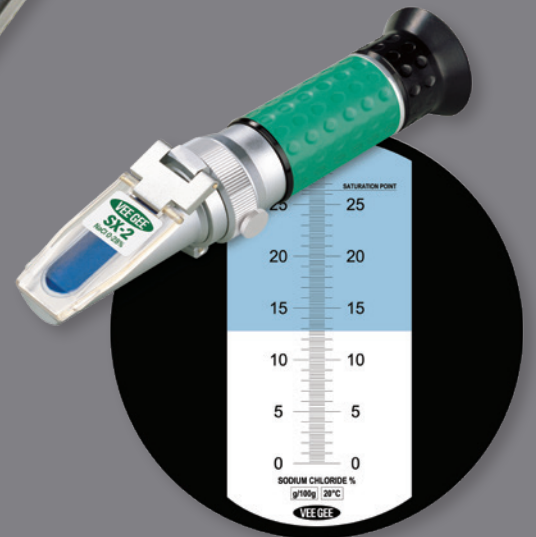

Refractometers

Manual & Digital

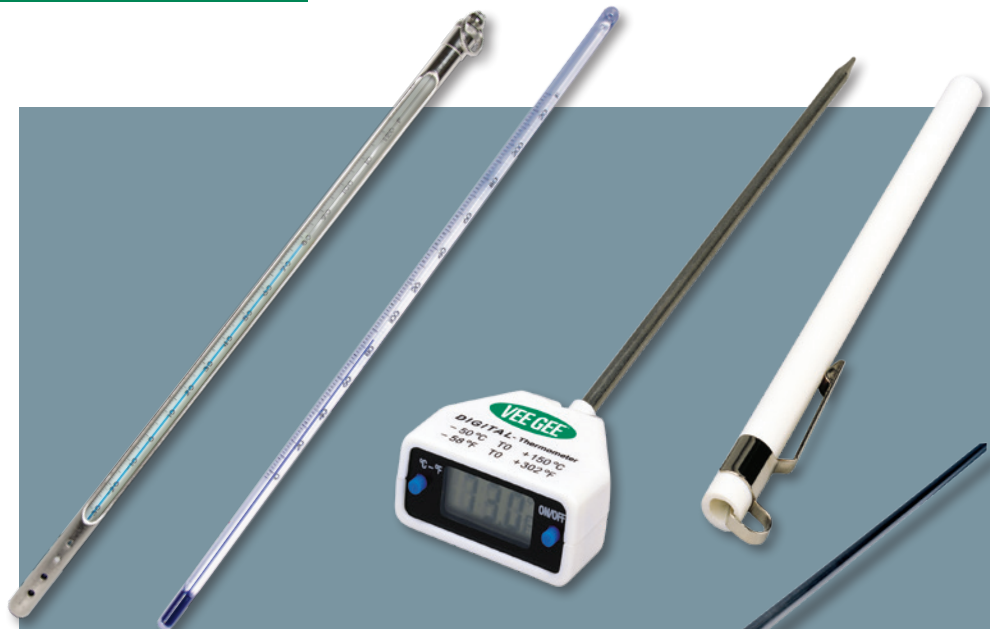

Lightweight, easy to use

Testing: NaCl, Salinity, Specific Gravity, Chlorinity, Refractive Index

DuraPorter®

Portable Transport Case to keep instruments & testing supplies secure

Thermometers

Various sizes and temperature ranges

Dial, Digital & Glass options available

Glassware

Beakers

10 – 3,000 mL

Erlenmeyer Flasks

25 – 2,000 mL

Filtering Flasks

250 – 2,000 mL

Media Bottles

Clear & Amber
100 – 2,000 mL

Volumetric Flasks

Clear & Amber
1 – 2,000 mL

Burets

10 – 50 mL

Graduated Cylinders

5 – 2,000 mL

Separatory Funnels

250 – 2,000 mL

Glassware Accessories

Rabbit Temp Mits

Protect your hands

Lead Rings

To stabilize vessels

Wire Drying Rack

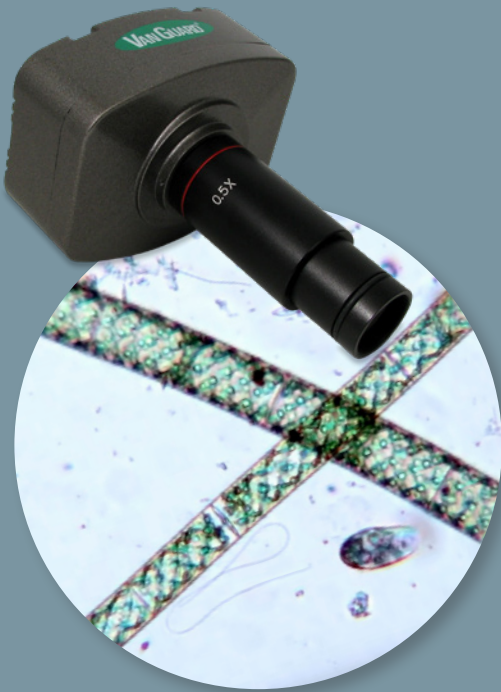

Keeps glassware safe

Parafilm® M

Protective film

Microscopy

Camera Systems

High definition

Slide Boxes

Organize & store slides

Microscopes

Bright Field and Phase Contrast

Liquid Handling

Volumetric Pipets

0.5 – 100 mL

Serological Glass Pipets

Standard & Wide tip 0.1 – 25 mL

Transfer Pipets

Disposable .05 – 3 mL

Racks & Stands

For storage and organization

Workstation Lab Mat

Clean & secure surface

Pipet Controllers

Make pipeting easier and more comfortable
