Think Finneran Pink

Gilda's Club is a community organization for people living with cancer, their families and friends. Local chapters provide meeting places where those living with cancer, their families, and friends can join with others to build emotional and social support as a supplement to medical care. Free of charge and nonprofit, Gilda's Club chapters offer support and networking groups, lectures, workshops and social events in a homelike setting. The club was named in tribute to an original Saturday Night Live cast member, Gilda Radner, who died of ovarian cancer in 1989.

Beginning October 1st until December 31st, a portion of each sale of our **Pink** promotional products will be donated to the Gilda's Club. Our donation will be made in the memory of our company founder and Mom - **Josephine Finneran.**
